(Designation) ag. Inspector-General of Prisons.

To The Secretary to the Government of Madras,

Home Department.

Sir,

With reference to Government Telephonic Message dated the 5th June 1936, I have the honour to state that two copies of the prescribed indent form received by the Superintendent, Subjail, Madras from the Chief Controller of Stores, Indian Stores Department (Engineering Branch), New Delhi with his letter No. N. 4237, dated the 9th February 1935 have been filled in and returned to the Chief Controller with the Superintendent's endorsement No. 744/3, dated the 25th May 1935. The Superintendent states that no more copies will be except those already sent to Government.

I have the honour to be, Sir,
Your obedient servant,

Memo. No. 11677-1/21.5.36

JAILS - Sub Jail, Mangalore -
 Purchase of a deep well pump -
 Irregularities in procedure -
 Correspondence ending with G.O.No.
 1081 Home dated 17.3.36.

In the G.O. cited above, the Govt. sanctioned the purchase by the Inspector-General of Prisons of a pump for the well in the Sub-Jail, Mangalore, at a cost not exceeding Rs.1,065/- . The Govt. have since obtained from the I.G. and perused the original correspondence connected with the purchase of the pump, and desire to make the following ~~remarks~~ observations:-

(1) With his endorsement No. 746/35 dated 25.5.35, the Supdt., Sub Jail, Mangalore, sent to the Chief Controller, an indent form for the supply of the pump, with the request that the cost of the pump might be communicated. The Supdt. should have known that an indent is an order for supply and, when he sent an indent together with a request to be informed of the cost, he should have made it clear that it was an enquiry only and not a regular indent.

(2) In his letter No.J.1515 dated 28.10.35, the Supdt. informed the Chief Controller that the pump offered by Messrs. Jessop & CO. was accepted. The Chief Controller probably mistook

it for an order and in his letter No.N.4297 dated 6.11.35, informed the Supdt. that an order would be placed with Messrs. Jessop & Co. as soon as certain points were cleared. The Chief Controller placed his order with the Co. on 19.11.35 and sent a copy thereof to the Supdt. The Supdt. did not take steps, even after receiving these two communications, to obtain sanction for purchase of the pump.

(3) A copy of the letter of the Supdt. to the Chief Controller dated 28.10.35 had been sent to the I.G. of Prisons, but the I.G.'s office did not then ask the Supdt. whether the sanction of Govt. had been obtained for the purchase.

2. These irregularities are brought to the notice of the Inspector-General of Prisons for such action as he deems fit to take in the matter.

To the I.G. of Prisons.

Sir,

Jails, Sub Jail, Mangalore -
Purchase of a deep well pump -
Irregularities in procedure -

Ref.- Your letter No. W. 4297
dated 10.8.1936.

I am directed to invite your attention to the correspondence relating to the purchase of a deep well pump by the Indian Stores Dept. for the Sub Jail, Mangalore, ~~and~~ ^{San to find} ~~that~~ that the Stores Dept. appear to have overlooked the fact that the indent forwarded by the Supdt. of the Sub Jail was not authenticated and that the certificate on p. 4 of the indent form had not been filled in and signed, as is necessary in cases where orders are placed with the Indian Stores Dept. Although the enquiry regarding cost which accompanied the indent might be taken by the Stores Dept. as a reason for not filling in the certificate, it cannot, in the opinion of this Govt., justify them in supplying goods without the certificate. In the circumstances, this Govt. consider that the supply of

no. note
is 1-2
of (5)

(C No: 1143C) From the J. of Prisons
no. C. S. 10. of 23.2.36

Sub Jail, Mangalore - Purchase of
a deep well pump.

12 of (5)

In his letter read above the
J. of Prisons has stated as follows:-

"Accordingly the Superintendent of the
Jail seems to have addressed the Spec-
tial Engineer, West Coast Division, Calcutta
the Director of Industries, Madras and
the Chief Controller of Stores, Indian Stores
Department, New Delhi for an estimate
of cost of a new pump. The Chief Controller
of Stores, taking it by mistake for an
order, appears to have directed Messrs
Jeasop & Co, Calcutta to ~~order~~ supply a
pump - - - The pump has already
arrived at Mangalore on the 4th
February 1936 and is kept in the
jail unpacked at the risk of the
Company"

12 of (5)

no. note
on page 4
of (5)

It seems that the cost involved is
large and ^{what} if the pump had been
purchased at Madras, the cost would
have been less. In any case there
was no justification for the

15/- 2

Chief Controller of stores to order the supply of pumps when only an enquiry was made as regards the cost and no definite order was placed with him. The I.P. may be requested to obtain and forward to Government the original records containing the file of correspondence on the subject of the purchase of the pump in question.

Office of the Inspector-General of Prisons,
Camp, Ootacamund, Dated the 28th April 1936.

Subjail, Mangalore - Purchase of a deep well pump -
Reply to U.O. Note No. 1143 C-2, Law (General), dated the
17th March 1936.

....

The file of correspondence relating to the purchase of a deep well pump for the Subjail, Mangalore, is herewith submitted for perusal and return. It will be seen therefrom that the Superintendent began his enquiry with the Executive Engineer, West Coast Division, Calicut, for an estimate for the new pump - Vide his letters No. J/443/34, dated the 10th April 1934 and J/995/34, dated the 13th August 1934 (flagged A and B). Later on, he made a reference to the Chief Controller of Stores, Indian Stores Department (Engineering Section) New Delhi, asking for quotations for a suitable and durable pump, with a view to address the Inspector-General of Prisons for the purchase of the same - Vide his letter No. J/164/35, dated the 2nd February 1935 (Flagged C). The Chief Controller has, in his reply, stated that he would call for tenders on receipt of an indent on the prescribed form - Vide his letter No. N.4297, dated the 9th February 1935 (flagged D). On receipt of the above letter the Superintendent seems to have addressed the Director of Industries, Madras, for the specification of the pump which he has embodied in the indent and transmitted to the Chief Controller for favour of communicating the cost of the pump as per description - Vide his letter No. 746/35, dated the 25th May 1935 (flagged E). There seems to have been some correspondence between the Chief Controller of Stores and the Superintendent with regard to the selection of the pump and it is noticed from the Superintendent's letter No. J/1515, dated the 28th October 1935 (flagged F) that he preferred the pump offered by Messrs. Jessop and Co., Calcutta. Evidently, the

(C)

*
(F)
M

(E)

(F)

12/4

Chief Controller of Stores mistook it for an order and directed Messrs. Jessop and Co., Calcutta, to supply the pump (vide his letter No. N/4297, dated the 26th February 1936 (flagged G). As pointed out by the Chief Controller of Stores in the letter referred to above, the order could have been cancelled by the Superintendent or the supply could have been prevented till the sanction of Government was obtained. It may be that the matter might have escaped the notice of the Superintendent. But it is considered that both the Officers are equally at fault. This office was not aware of any developments after the last letter from the Superintendent - Viz., J/1515, dated the 28th October 1935; otherwise some action could have been taken to withhold the supply or at any rate to regularise it.

13/5

Home Department

As

A pump for the well in the Sub-jail at Mangalore was purchased without sanction of Government, in the circumstances mentioned below.

The I.G. was asked to forward the original papers to see who was responsible for the irregular purchase. It is observed from the

papers forwarded by the I.G. that the Superintendent of the Sub-jail, feeling the necessity for a pump for the well in the Sub-jail, addressed the Chief Controller of Stores to furnish the cost of the pump etc. suitable for installation in the well. On

the Chief Controller furnishing ^{information} the cost of the pump as quoted by different firms, the Supt. stated that he preferred the one quoted by Messrs Jessop & Co, Calcutta. The Chief Controller immediately ordered the supply of the pump approved by the Superintendent of the jail, without waiting for a formal order directing the supply of the pump.

The Chief Controller says that he assumed that the Supt. had already

to 1-2-2-4

to 1-2-2-4

'C' - p 13 of papers below

p 20-31 of file below

(H) p 48-49 of file - see A a-p 49.

1-2-2-4

6-14/

obtained the requisite sanction for the purchase of the pump. In this connection, it

may be stated that the Superintendent's letter to the firm intimating his choice was on 28.10.35. He did not take any further action in the matter till the pump was received in February 1936. F \$48 43 9 the bill

2. Again, the Chief Controller intimated on 19.11.35 that the firm in question was being asked to supply a pump. (The pump was actually received on 4.2.36). \$74 9 the bill

The Superintendent could have asked the Chief Controller to cancel the order pending sanction of the purchase of the pump. He had time to do so. If he had done so, the purchase could have been avoided.

As stated by the D.G. of Prisons, both the Chief Controller of Stores and the Superintendent of the Sub Jail seem equally at fault. \$4 ante

3. The file may be sent to Finance for perusal with reference to their note on p 4 of SO 103165. D 17.3.36.

of Stores did not then ask the Supt. whether
Sanction had been obtained for the purchase

Bob
29/18

S

I think they are all to blame - the Capt. as
well as the Stores Department -
for acting on an unsigned indent
without necessary certificates.

An indent is of course an order to
supply or to send an indent
together with a request for information
of the cost without making it clear
that the whole is an enquiry & not an
indent is asking for ~~difficult~~ trouble. The
enquiry regarding cost might be taken by the
Stores Dept. as a reason for not filling in the
certificates. I think I cannot justify them
in supplying goods without the certificates.
The case will go to the General

Instructions for the preparation of indents.

As different classes of stores are dealt with in different sections in the Indian Stores Department, separate indents should be prepared for stores falling under various classes, viz. :—

(1) Power plant; Radio and wireless equipment; light house equipment; Aviation equipment; Locomotives; Boilers; Lifts; Cranes; Refuse Destructors; Railway train lighting equipment such as dynamos; batteries; weighing machines; spare parts.

(2) Pumping plant; Water softening, Chlorinating, condensing and distilling plant; Ice plant and refrigerators, Boring plant; Sewage plant; Disinfecting machinery; Engines (steam, gas and oil), Motors, Road making plant and equipment; Draglines, Punkha Motor Sets; Fire fighting machinery and equipment; spare parts.

(3) Engineering plant and machinery; Workshop machinery and heavy tools; Agricultural machinery; Textile machinery; Machines for Arts and Industrial Schools and Colleges; Welding plant; Workshop belting (all kinds), Testing machines, Sanitary equipment, e.g., Watering and refuse carts; Sea and River Craft; Motor vehicles; Bearings (ball and others), spare parts.

(4) Electrical stores of all kinds (including cables and bare copper conductors, cells and measuring instruments); Electrodes.

(5) Structural steelwork of all kinds; Railway materials including wheels, axles and tyres; wires of all kinds other than electrical and articles made of wire (including wire gauze and wire netting); Wire Ropes; Metals; Target apparatus.

(6) Water supply stores (including hose pipes), Tubes and flues for boilers, etc.

(7) Steel sections, spring and tool steel, steel sheet piling, metal sheets of all kinds,

steel window frames, doors and window fittings, asbestos cement sheets, bearing metals, bolts and nuts, screws wood and nails.

(8) Miscellaneous engineering and hardware stores (including rubber goods, e.g., tyres and tubes), glass and glassware, enamelware, oil lamps and lampware, crockery, cutlery, locks, safes, chests, cooking ranges, buttons, badges, handkerchiefs, road signs, clocks, watches, buckets, iron charpoys, bicycles, steel furniture, fire bricks and fire clay, saw blades, articles of postal use, e.g., letter boxes, scales and weights, etc.

No. G/. 1755

Station Mount Road, Madras. Dated the 11th November 19 36.

From (Name) Lieut-Col. M.M. Kham, I.M.S.,
(Designation) ag. Inspector-General of Prisons.

To The Secretary to the Government of Madras,

Home Department.

Sir,

In acknowledging the receipt of the file in original, relating to the Subjail, Mangalore, I have the honour to point out that Superintendents of Jails are not supposed to correspond direct on subjects of the kind with the Government, such function being exercised by me. The necessity therefore for asking the Superintendent as to whether the sanction of Government had been obtained for the purchase of the pump in question did not therefore arise. Further, in the circumstances explained in the U.O. correspondence the error was solely on the part of the Jail and the Controller and was rendered possible in as much as the Controller's letter to the firm was not communicated to my office. The Superintendent has, however, been

warned against such irregularities in procedure being repeated,
the Superintendent concerned having gone on transfer elsewhere,
and the Jailer then in charge having retired from service.

I have the honour to be,

Sir,

Your most obedient servant,

Khan

Lieut-Col.I.M.S.,
ag.Inspector-General of Prisons.
